Cole Farms

**Confirmation of Compliance
 California Air Resources Board: Truck and Bus Regulation**

Title 13, California Code of Regulations, Section 2025

I, the undersigned, am aware of the *California Air Resource Board: Truck and Bus Regulation* (Title 13, California Code of Regulations, Section 2025). I understand that fleets hired or dispatched directly or indirectly by Carrier must be in compliance with the *California Air Resource Board: Truck and Bus Regulation* or must report compliance to the Air Resources Board (ARB).

I understand that I must provide a Confirmation of Compliance certificate to Cole Farms, Inc. annually.

I confirm that my fleet is in compliance with the *California Air Resource Board: Truck and Bus Regulation* and will remain compliant through the duration of the contractual agreement with Cole Farms, Inc.

If Cole Farms, Inc. is made aware that one or more vehicles in my fleet are not compliant, I understand that I will not be dispatched until I am able to provide proof that I have regained compliancy.

I understand that any fines incurred as a result of compliance violations will be my responsibility and that repayment must be made within 15 days of the assessment, unless otherwise noted. Cole Farms, Inc. reserves the right to collect any fees owes as a result of compliance violations through the withholding of the amount from any payments owed until payment has been made in full.
